# What is Jump Canada?

Jump Canada is the committee of Equine Canada responsible for all hunter, equitation and jumper activities in Canada from the grassroots to the international level. Jump Canada is governed by a board, the majority of whose members are elected by the stakeholders in the sport. There are 20 board members and 14 sub-committees that are responsible for the operation of Jump Canada with the support of manager, Karen Hendry-Ouellette, who works from the Equine Canada offices in Ottawa. A complete outline of the Jump Canada structure and responsibilities can be found on our website [www.equinecanada.ca/jumpcanada](http://www.equinecanada.ca/jumpcanada).

## CORE OBJECTIVES

1. Promote rider and horse development at an international level.
2. Develop, build and grow Canada's hunter/jumper community.
3. Improve the effectiveness of communications to internal and external audiences.
4. Administer and manage the Jump Canada organization effectively and efficiently.
5. Improve and increase funding and sponsorship base.

Since its inauguration in 1998, Jump Canada has initiated important national programs, fostered grassroots development within the provinces, fielded successful teams at World Championships, Pan American Games and Olympic Games, and maintained financial responsibility.

Owners are particularly important to the success of show jumping in Canada. Through their support of the athletes

and ownership of their horses, owners make it possible for Canada to field competitive teams in international events. Their support is paramount to Canada's success and, each year, Jump Canada presents the Owner of the Year Award in recognition of their invaluable contribution to the sport.

Jump Canada has created a number of other programs and awards in order to recognize contributions to the sport and to provide support for participants. The following are the Jump Canada programs developed to date. The complete criteria for each program can be found on the Jump Canada website.

- 'CAVALOR' Athlete of the Month
- Sponsor of the Year
- Jump Canada Bursary
- Talent Squad Series
- Jump Canada Series
- Travel Assistance
- Official of the Year
- Venue Development Fund
- Officials' Accessibility Fund
- Volunteer of the Year
- Owner of the Year
- Young Horse Series
- Emerging Riders Series
- Hunter Classic Series

The Jump Canada levy allows us to support these national programs. In addition, a portion of the levy is distributed to each Provincial Hunter Jumper Association to be used for grassroots development.

**Birthplace:** Hillsburgh, Ontario

**Birthdate:** September 13, 1980

**Hometown:** Hillsburgh, Ontario

**E**rynn Ballard began riding at the age of five with her parents, David and Sandi Ballard, and entered the show ring one year later. Equally talented in hunter, jumper and equitation, Ballard became only the second Canadian to win the prestigious ASPCA Maclay National Championship at the 1998 National Horse Show at Madison Square Garden. # Yann Candele

**Birthplace:** Normandy, France

**Birthdate:** March 11, 1971

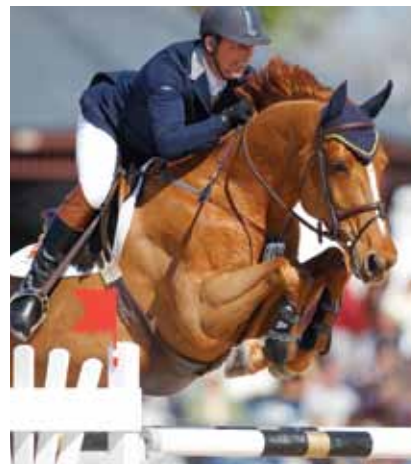

**Hometown:** Caledon, Ontario

**B**orn in Normandy, France, Yann Candele began riding at the age of 10 and twice competed at the European Junior Championships. Candele has since competed around the world including Japan where he won the 1991-1992 Asian World Cup League, making him the first non-Japanese rider to ever accomplish that feat.

In 1999, Candele moved to Canada to work for Eric Lamaze. Still representing his native France, he made several Nations' Cup appearances and competed at the 2004 World Cup Final in Milan, Italy, riding Mill Creek Sweet Dream.

In 2007, Candele opened his own training business, Normandy Hills, in Cheltenham, Ontario, and began riding a string of top horses including Mustique and Pitareusa for owner Susan Grange. He obtained his Canadian citizenship and, in his Canadian Team debut, was a member of the winning team riding Mustique at the 2009 Nations' Cup in Wellington, Florida. A year later, he again led the Canadian Team to victory in Wellington.

When not riding, Candele can be found on the golf course or cheering on the Toronto Maple Leafs. Candele and fellow show jumping rider, Jennifer Wallace, have three children, Alexandre (2003), Tate (2005), and Mathilde (2009).

# Mac Cone

**Birthplace:** Memphis, Tennessee

**Birthdate:** August 23, 1952

**Hometown:** King, Ontario

A steady performer at the international level for more than 30 years, Mac Cone is the only athlete to have competed on both the American and Canadian Equestrian Teams. Following early beginnings that saw him train under the legendary Bert de Nemethy and win Nations' Cup events for the United States, the Memphis native moved north in 1979 after marrying Canadian Brenley Carpenter.

Riding Elute, Cone was the highest-placed Canadian rider at the 1996 Atlanta Olympics. It was a feat he would repeat at the 2002 World Equestrian Games in Jerez, Spain, riding Cocu. In 2007, he was a member of Canada's Silver Medal Team at the Pan American Games in Rio de Janeiro, Brazil, riding Melinda. At the 2008 Olympic Games riding Ole, Cone made history as a member of Canada's Silver Medal Team.

In addition to his skills as a rider, Cone is deservedly recognized for his coaching abilities having trained 1986 World Champion Gail Greenough. He counts 2003 Pan American Games contender, Mark Samuel, and 2002 World Equestrian Games teammate, Melissa Brown, among his clients at Southern Ways Stable.

At just 21 years of age, Emily joined the grand prix ranks riding her Irish-bred gelding, Smart Thinking. During her rookie year, Emily won the \$35,000 Kubota Cup Grand Prix at the 2006 Royal Manitoba Winter Fair in Brandon, competing against numerous Canadian Show Jumping Team members. She closed out the 2006 season by enjoying a top ten finish in the \$60,000 Kubota Cup National Finals held in November during the Royal Agricultural Winter Fair in Toronto. Based on her successful year, Emily found herself named to the Canadian Show Jumping Team Short List.

Emily graduated with a degree in Geology from the University of Calgary. She also volunteers with the Street Esteem Program, and enjoys spending as much time outdoors as possible, especially snowboarding.

# Hugh Graham

**Birthplace:** Georgetown, Ontario

**Birthdate:** February 10, 1949

**Hometown:** Schomberg, Ontario

A veteran rider, Hugh Graham has been a member of the Canadian Equestrian Team for more than 30 years. A champion calf roper throughout high school, Hugh's rodeo career ended due to a fractured leg. He went on to work for Olympic gold medalist Jim Day and became interested in show jumping, winning his first grand prix event in 1973. Hugh has since ridden on Olympic, World Championship and Pan American teams with great success, including a team gold medal at the 1987 Pan Am Games, and has represented Canada in four World Cup Final events.

Hugh's career continues to flourish into its fourth decade. In 2009, he won the \$100,000 World Cup Grand Prix at the Canadian Show Jumping Tournament in Palgrave, ON, with Executive Privilege 3E. Both Executive Privilege 3E and Hugh's other top mount, Fifth Estate 3E, are sired by Hugh's former grand prix mount, Class Action, and are a result of the breeding program at KingRidge Stables, where Hugh is the head trainer.

Hugh's daughter, Laurel, is following in her father's footsteps by also pursuing a show jumping career.

# Eric Lamaze

**Birthplace:** Montreal, Quebec

**Birthdate:** April 17, 1968

**Hometown:** Schomberg, Ontario

**E**ric Lamaze made history when he became the first equestrian athlete to win an Individual Gold Medal for Canada. The incredible feat came just two days after Canada claimed the Team Silver Medal at the 2008 Olympic Games in China. With his feisty stallion Hickstead, Lamaze became a national hero and was voted Canada's 2008 Athlete of the Year. He was also ranked the number one show jumping rider in the world at the end of the 2008 season.

A three-time Canadian Show Jumping Champion, Lamaze has represented Canada at the past four consecutive World Equestrian Games in 1994, 1998, 2002 and 2006. He was Team Bronze Medalist at the 1999 Pan American Games, again represented Canada at the 2003 Pan American Games and, in 2007 riding Hickstead, captured Team Silver and Individual Bronze Medals. Also in 2007, Lamaze and Hickstead won the world's richest grand prix event, the \$1 million CN International, at the Spruce Meadows "Masters" Tournament.

Lamaze operates Torrey Pines Stables in Schomberg, Ontario, and divides his time between North America and Europe, where he is based just north of Brussels. In his spare time, he enjoys golf.

# Amy Millar

**Birthplace:** Ottawa, Ontario

**Birthdate:** February 14, 1977

**Hometown:** Perth, Ontario

The daughter of Canadian Olympian Ian Millar, Amy Millar began riding at an early age on the family farm. Training alongside her father and older brother, Jonathon, Millar proved that a talent for show jumping runs in the family.

Millar successfully entered the grand prix ranks riding Zagal in 1996 and, the same year, won an Individual Silver Medal at the North American Young Riders' Championship. As a result, she was short-listed to the Canadian Equestrian Team and awarded one of two Firestone Development Scholarships. In 1999, she made her international debut riding for the Canadian Team in the Nations' Cup at the Washington International Horse Show.

As a member of the Developing Riders' Tour that competed in several Nations' Cup events in Europe in 2001, Millar gained valuable international experience that continues to serve her well. In 2008, she enjoyed impressive results including two grand prix victories riding Costa Rica Z. She and Costa Rica Z were also members of Canada's second placed team in the Nations' Cup Promotional League Final in Barcelona, Spain.

Millar holds her Bachelor of Commerce from Toronto's Ryerson University. On May 24, 2010, she gave birth to her first child, a girl named Lily Evelyn Millar Jukosky.

# Ian Millar

**Birthplace:** Halifax, Nova Scotia

**Birthdate:** January 6, 1947

**Hometown:** Perth, Ontario

**W**ith nine Olympic starts as of the 2008 Beijing Olympics, Ian Millar tied the world record for Olympic appearances. He has also competed in more Olympic Games than any athlete in Canadian history, in any sport. In addition to setting those records, Millar won his first Olympic medal in 2008, a Team Silver.

If Millar's Olympic record is impressive for longevity, his Pan American Games record is equally so for his medal count. He has earned nine medals in eight Pan American Games, more than any other show jumping athlete.

In spite of his Olympic and Pan American Games records, it was the World Cup of show jumping where Millar first broke new ground. In 1988 and '89, he and his legendary partner, Big Ben, became the first-ever horse and rider combination to win back-to-back World Cup Finals.

The most decorated equestrian in Canadian history, Millar is a member of the Order of Canada, was Ontario's Athlete of the Year in 1989, was inducted into the Canadian Sports Hall of Fame in 1996, and was awarded an honorary doctorate by the University of Guelph in 2005.

# Jenna Thompson

Birthplace: Calgary, Alberta

Birthdate: April 20, 1988

Hometown: Calgary, Alberta

Calgary native Jenna Thompson burst onto the international scene in 2007 with a third place finish in the \$75,000 Sun Life Financial Cup held during the Spruce Meadows “North American” Tournament. With her partner, Zeke, Thompson continued to impress throughout the 2009 season, with results that included top ten finishes in the \$200,000 Budweiser American Invitational in Tampa, Florida, and the \$200,000 CN Reliability Grand Prix at the Spruce Meadows “National” Tournament.

# Beth Underhill

**Birthplace:** Guelph, Ontario

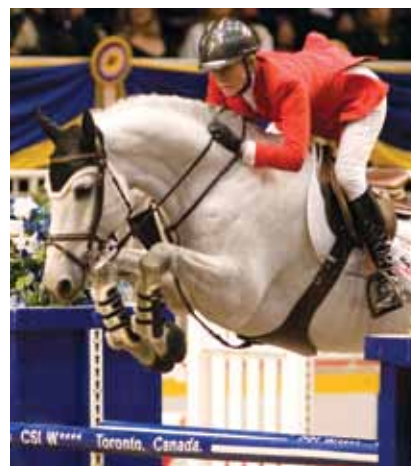

**Birthdate:** September 5, 1962

**Hometown:** Schomberg, Ontario

**A**s a teenager, Beth Underhill earned top honours from the Royal Conservatory for her singing, but it was her love of horses that won out. First named to the Canadian Equestrian Team in 1990, Underhill has ridden in over 25 Nations' Cup competitions and, in 1993, was the first woman to win the Canadian World Cup League, a feat she repeated in 1999. With her retired partner Monopoly, Underhill earned more than \$1 million in the show ring.

A veteran of Pan American, Olympic and World Equestrian Games, Underhill has claimed the Canadian Show Jumping Championship title on three occasions - in 1994 and 1996 with Monopoly and in 1999 with Altair. Having represented Canada at the 1998 World Equestrian Games in Rome, Italy, Underhill and Altair were then Team Bronze Medalists at the 1999 Pan American Games. The same year, they finished second in the richest show jumping event in the world, the \$800,000 du Maurier International, held at the CSIO Spruce Meadows "Masters" tournament where Underhill was also named the Leading Lady Rider.

Underhill is now enjoying grand prix success with the two grey geldings, Top Gun and Cantero Z. She operates Beth Underhill Stables in Schomberg, Ontario.

# Ainsley Vince

Birthplace: Oakville, Ontario

Birthdate: August 3, 1976

Hometown: Milton, Ontario

Michelle C. Dunn

Following a successful junior career, Ainsley Vince was named to the Canadian Equestrian Team in 1995 after enjoying consistent finishes in several World Cup Qualifiers riding Hocus Pocus.

Ainsley then experienced tremendous success with Catch 22, a gelding that she purchased as a six-year-old. The pair made their international debut riding for Canada at the 1999 Washington International Horse Show before helping Canada win their second consecutive Bank of Montreal Nations' Cup at Toronto's Royal Horse Show. One of this country's most successful horse-rider combinations, Ainsley and Catch 22 were back-to-back Canadian Show Jumping Champions in 2001 and 2002 and represented Canada at the annual World Cup Final on three occasions, in 2000, 2003 and 2004.

She is now competing at the grand prix level with Frieda, a mare she slowly developed through the Jump Canada Young Horse Series. Their consistency at the grand prix level throughout the 2009 season earned them the Jump Canada Series title.

Ainsley operates her own training and sales business, Linden Ridge Limited, on her parents' farm in Milton, Ontario. Her two younger sisters, Courtney and Sydney, are also successful show jumping competitors.
