2006 MEDIA GUIDE

Why odds are an ulcer will cost you a rail.

Fact #1

Over 60% of performance horses suffer from gastric ulcers. Equine gastric ulcer syndrome is a painful condition known to dampen performance, attitude and body condition¹.

Fact #2

The higher the frequency or intensity of training required, the greater the odds of an ulcer. Add to that the stresses of frequent transporting, limited turnout, unfamiliar surroundings, and the use of anti-inflammatories, and the odds go up even more.

Fact #3

While clinical signs include decreased appetite, poor body condition, irritability, diminished energy, and increased inability to concentrate, many horses with severe ulcers appear asymptomatic, making diagnosis extremely difficult.

Fact #4

GASTROGARD is the first and only treatment proven to heal and to prevent the recurrence of gastric ulcers in horses. GASTROGARD will relieve symptoms, often in just 48 hours, even in horses actively training.

Canadian Eventing

What is Eventing?

The sport of Eventing is best described as an equine triathlon. It began as a military exercise and competition for cavalry horses and officers to test their endurance, agility, and ability to get quickly between two points in the countryside. Today, in the modern equivalent, the sport of eventing encompasses three separate tests: dressage, cross-country, and show jumping. Each is scored individually but added together for the final results, and the winner of the competition is the competitor with the least number of penalty points gained over the three phases. The team winner is the team with the lowest aggregate number of penalties among team members.

What is Canadian Eventing?

Canadian Eventing is a committee of Equine Canada responsible for the sport of Eventing in Canada, from the domestic development to the international elite level. Canadian Eventing is governed by a committee comprised of 12 members, including two rider representatives. All activities of Canadian Eventing are administered by this committee via 5 sub-committees with the support of technical manager Fleur Tipton, who is based at the Equine Canada offices in Ottawa.

CORE OBJECTIVES

Through its Strategic Plan, the Canadian Eventing Committee is committed to programs to achieve the following Goals:

1. A higher standard of performance excellence demonstrated by Canadian athletes and Canadian teams at national and international competitions and championships.
2. A team podium performance at the 2012 Olympic Games.
3. A broad and diverse foundation of athletes that enjoy and compete safely, competently and equitably at world class standard national and international sanctioned eventing competitions, in all provinces across Canada.
4. A clear development pathway for competitive athletes supported by a system of trained and certified Eventing Coaches and Officials who are committed to excellence through ongoing professional development.
5. A vibrant and viable economic and business model which supports the organization.

Canadian Eventing has a number of important and exciting national programs to support grass-roots, developing, high performance and elite athletes. These programs include:

- Canadian Eventing Athlete Development Scholarship Program
- National course review and standardization for competitions
- Provincial Domestic Athlete and Course Development Support Program
- Sports Science Support Program
- National Team Training Program
- Eventing NCCP Coaching Certification Program

Lesley Grant

Formed in 1998, the **Elite Riders Association (ERA)** is an association dedicated to representing and promoting the views and interests of event riders in Canada. The ERA membership is comprised of all high performance Eventing athletes, including short-listed and long-listed riders.

As the voice of the Canadian Eventing National Team's listed riders, ERA maintains athlete representatives on the Equine Canada CE High Performance Committee and the Canadian Eventing Committee, the national governing body for the sport of Eventing in Canada. The CE High Performance Committee oversees all high performance activities, including planning and administering the National Team Program, hiring of the Technical Advisor, development of selection criteria and the selection process, and hiring of competition sports science support personnel. The ERA membership is also responsible for voting on the appointment of two of the Team selectors. Communication within ERA keeps riders updated with regards to policy-making and news bulletins of Canadian Eventing, Equine Canada, and the FEI. Currently, the ERA representatives on the Canadian Eventing High Performance Committee are Lesley Grant (2004-2006) and Jennifer Holling (2006-2007).

Hawley Bennett

Short Listed

Birthplace:

Langley, British Columbia

Birthdate:

May 6, 1977

Hometown:

Langley, British Columbia

Hawley Bennett grew up on a hobby farm and was involved with the 4-H Horse Club and the Grove and Langley Pony Club. With Livingstone, a thoroughbred gelding bred by her neighbour and purchased as a four-year-old, Hawley formed a truly incredible partnership. Following a fourth place finish at the 1998 North American Young Riders' Championship, Hawley, then 21, was named to the Canadian Eventing Team Long List.

In 2002, Hawley and Livingstone finished 14th at the CCI*** Fair Hill International and, the following year, enjoyed a clear cross-country performance at the prestigious CCI**** Rolex Kentucky Three Day Event. In the fall of 2003, they were members of the Silver Medal Team at the 2003 Pan American Eventing Championships and Hawley's Olympic dream became a reality when she and Livingstone represented the Canadian Equestrian Team in Athens, Greece. In 2005, the fairy tale continued when Hawley and Livingstone traveled to Sweden where they placed 15th in the World Cup Final.

Hawley credits her groom, Stacey Thorson, the never-ending support of her mother, Gerry, and her coaches, Pam Arthur and Buck Davidson, for her success. Hawley currently trains in Temecula, California.

Brittany Brooks

Long Listed

Birthplace:

Toronto, Ontario

Birthdate:

March 8, 1984

Hometown:

Brighton, Michigan

Brittany comes by the love of horses naturally - her mother, Jennifer Merrick Brooks also rides and acts as Brittany's coach. Brittany's top horse is Trademark, a resale project that she ended up keeping for herself. In their first two-star event, the 2005 CCI** Radnor Hunt International Three Day Event, Trademark and Brittany were the highest-placed foreign competitors. The result put them on the Canadian Eventing Team Long List for the first time.

An active member of the Pony Club for most of her childhood, her involvement has allowed her the opportunity to travel. Her biggest trip came in 1999 when she was selected to participate on the Mounted Games Team headed for Australia. Brittany is now an HA member of the Huron Valley Pony Club in the Great Lakes Region as well as a visiting instructor. In 2003, she attended the National Youth Congress in California as the Regional Delegate.

Brittany enjoys the support of her parents as well as her two younger brothers. A third year student at Eastern Michigan University, she is currently taking time off in order to concentrate on her riding. Brittany also has a keen interest in photography and has displayed her work in exhibitions.

Kyle Carter

Long Listed

Birthplace:
Calgary, Alberta

Birthdate:
January 8, 1969

Hometown:
Sparr, Florida

Riding since he can remember, Kyle grew up on his parents' thoroughbred racing farm. Interested in show jumping as a teenager, Kyle trained with Albert Kley at the famed Spruce Meadows facility. At 18, he turned his focus to eventing and spent a year training in England with 2004 Olympic Champion Leslie Law.

After returning to Canada, Kyle started up his own business of buying and selling horses off the Calgary racetrack, and eventually moved his business to Kentucky, where he stayed for three years. While competing at the 1996 Rolex Kentucky Three Day Event, Elaine Davies spotted his talent and offered him the position of resident rider at her Hawkridge Farm. Partnered with Davies' Scotia Gold Rush, Kyle enjoyed a second place finish at the 1999 CCI*** Rolex Kentucky Three Day Event and went on to represent Canada at the 1999 Pan American Games.

Now based in Sparr, Florida, where he manages a training facility, Kyle is enjoying success with a large string of horses. Married to American competitor, Jennifer Carter, Kyle enjoys sailing, skiing, running and windsurfing when time allows.

Vanessa Fenwick

Long Listed

Birthplace:
Toronto, Ontario

Birthdate:
February 27, 1977

Hometown:
Pefferlaw, Ontario

Vanessa Fenwick made her mark on the Canadian eventing scene in 2005 riding Dalliance. The grey thoroughbred mare had been part of the Gold Medal American Team at the 2003 Pan American Championships under Robert Costello. Vanessa and Dalliance successfully completed two CCI** events in 2005, the Bromont International Three Day Event in Quebec and the Virginia Horse Trials. The results earned Vanessa a place on the Canadian Eventing Team Long List.

For the 2006 season, Vanessa purchased another horse with the experience to help her to achieve her goals. The American thoroughbred gelding Balista had been Mike Winter's mount at the 2004 Olympic Games in Athens, Greece, where the pair were Canada's top finishers. Vanessa already has the season off to a strong start, quickly progressing from the preliminary to the advanced level as she gets to know her new partner.

In addition to Dalliance and Balista, Vanessa is also working with the developing Anglo-Arab mare, Dhundu, with the help of her coaches, Mike Winter and Jo Young.

Jessica Ferguson

Long Listed

Birthplace:

Uxbridge, Ontario

Birthdate:

October 16, 1983

Hometown:

Uxbridge, Ontario

Horses have always been a part of Jessica Ferguson's life. For her first birthday, she received a pony and has never looked back. Her first taste of eventing success came with Let's Boogie. Although he had a reputation for being a difficult horse, Jessica developed a partnership that saw the pair finish third individually in the one-star division of the 1999 North American Young Riders' Championship and led the Ontario Team to a fourth place finish.

Jessica was named to the 2005 Talent Squad with Exploring, a horse she purchased as a four-year-old, based on their top ten finish at the 2004 CCI* Midsouth Three Day Event in Lexington, KY. Also based on her 2004 results, she was selected as a recipient of a \$1,000 Canadian Eventing Athlete Development Scholarship. Further success at the two-star level with Exploring has placed her on the 2006 Canadian Eventing Team Long List.

A graduate of Uxbridge Secondary School, Jessica earned her Business Administration degree from Durham College and is currently a fourth level Certified General Accountant. A natural athlete, she plays on community volleyball and basketball teams. On May 6, 2006, she married Joel Phoenix.

Ashley Harris

Long Listed

Birthplace:

Burnaby, British Columbia

Birthdate:

May 11, 1983

Hometown:

Aldergrove, British Columbia

Ashley has spent the past 14 years of her life living in Aldergrove, British Columbia, where she helps run the family farm. Her first riding education came through the Pony Club where she achieved her 'B' level.

Having competed at the 1999 North American Young Riders' Championship riding Wild Thing, Ashley made a name for herself with Baylee, a horse her parents purchased for one dollar as a six-month-old foal. Competing their way up through the levels together, Ashley and Baylee won their first FEI level event, the 2003 CCI** Chase Creek Three Day Event in her home province. They continued their success the following year with strong placings at CIC*** Galway Downs, CCI*** Fox Hall Cup, and a fourth place finish in the World Cup Qualifier held at The Event at Rebecca Farm in Montana. In 2005, they completed the CCI** Jersey Fresh.

Ashley enjoys teaching both children and adults the basics of riding, and has also started young horses for some of her clients. A graduate of West Coast College, Ashley is a medical lab assistant at Vancouver General Hospital.

Candice Hazenberg

Long Listed

Birthplace:

Vancouver, British Columbia

Birthdate:

September 4, 1986

Hometown:

Abbotsford, British Columbia

At the age of 14, Candice's love of horses was satisfied with the purchase of her first pony. After selling her pony, Candice was offered the ride on Sandra Malinoski's Carmanah Light, an off-the-track thoroughbred better known as 'Carly' around the barn. It wasn't long before the pair began to show their potential, earning Candice a place on the 2005 Canadian Eventing Team Talent Squad and a 2005 Canadian Eventing Athlete Development Scholarship.

After spending six months as a working student for American eventing competitor Buck Davidson, Candice returned home in April of 2005. Her goal of completing a two-star event was soon met when she and Carly placed fifth in the CCI** Galway Downs. The result earned Candice a place on the Canadian Eventing Team Long List, which is an incredible feat for a 19-year-old competitor.

Candice has trained for the past five years with Canadian Olympian Chelan Kozak at her 3 Daze Farm in Abbotsford, British Columbia, and credits Chelan with first introducing her to the sport of eventing.

Jennifer Holling

Long Listed

Birthplace:
Orangeville, Ontario

Birthdate:
January 25, 1972

Hometown:
Bolton, Ontario

Jennifer Holling (nee Dann) was introduced to three day eventing in 1989 while attending the Bethany Hills School. With her first eventing partner, Last Chance, a former school horse, she gained valuable experience at the upper levels. After purchasing Dig Deep, Jennifer finished sixth at the CCI** Camino Real in Texas, before going on to complete the 2000 CCI** Radnor Three Day Event and, the following spring, the CCI*** Fox Hall Cup.

Her present partner is Three Sheets, with whom Jennifer was named to the Canadian Eventing Team Long List in 2002 and 2003, and the Talent Squad in 2004. In 2005, Jennifer had the distinction of placing two horses, Direct Merger and Three Sheets, in the top 25 at the CCI*** Jersey Fresh Three Day Event, once again resulting in Long List status.

In November of 2000, Jennifer married American Three Day Event rider Jonathan Holling and together they run Willow Run Farm in Ocala, Florida. An all-round athlete, Jennifer played soccer at the national level and was a member of the varsity rugby team at Queen's University. She still enjoys many recreational sports including swimming, skiing and hockey. Her parents are very supportive of her career as is her twin sister.

Hometown:
Ashton, Ontario

Mark Nelson first started riding through the Canadian Pony Club and 4H programs, and represented the St. Lawrence and Ottawa Valley Region Pony Club in Triathlon. Today, he continues to support the horse programs of the 4H Club as a volunteer.

Two other horses currently in Mark's string are Rhodes Scholar, formerly competed by Canadian Olympian Chelan Kozak, and Oh Chez, a former racehorse originally purchased as a resale project that has now found a home with Mark's family.

A certified farrier, Mark operates Oakhurst Farm with his wife, Ruth Allum, who is also his coach. Together they have two children, Eric (2001) and Tatum (2005). Mark is involved as a volunteer with his son's school skating program and, when he can find free time for himself, is an avid scuba diver.

Nicole Parkin

Long Listed

Birthplace:
Toronto, Ontario

Birthdate:
February 25, 1973

Hometown:
Toronto, Ontario

Nicole got her first taste of riding at summer camp and, by the time she was 13, had finally convinced her mother to buy her a horse. Having first competed at the intermediate level with Night Hawk, Nicole would achieve international success with Dillon the Villain, a thoroughbred gelding she purchased in England while training with Alison Oliver. In 1994 and 1995, the pair won back-to-back Canadian Open Championships at Checkmate, making her and Dillon the Villain the only horse/rider combination to ever achieve this goal.

With Canadian Chocolate, her partner of the last several years, Nicole has contested several one and two-star events, including the CCI** Virginia Horse Trials in Lexington, Virginia, where her results put her on the Canadian Eventing Team Long List. Nicole is also competing with Lexus, a Hannoverian mare bred in Ontario by Sylvia Wiggins.

In addition to her busy schedule as the manager of Checkmate Equestrian Centre where she trains, coaches, and helps to organize the horse trials, Nicole also enjoys playing the guitar.

Scarborough, Ontario

Birthdate:

October 22, 1988

Hometown:

Port Perry, Ontario

It would appear that Waylon Roberts, the oldest son of Canadian Eventing Olympians, Ian Roberts and Kelly Plitz, has inherited a talent for riding. At the age of 14, he represented Canada at the 2002 FEI Children's Final for show jumping in Brazil, and has represented Canada at the North American Young Riders' Championships in eventing on three occasions.

In 2003, Waylon rode Paleface to victory in the preliminary division of the Bromont Three Day Event before finishing sixth individually in the CCIJ* division of the 2003 North American Young Riders' Championship, also held in Bromont, Quebec. In 2004, Waylon and Paleface were named as the sole Ontario representatives for the CH-CY** championship division at the North American Young Riders' Championship where they finished 12th. The following year, Waylon improved on that result, this time with a tenth place finish individually.

Waylon is based at his family's Dreamcrest Farm and enjoys working around the farm and helping with the construction of cross-country jumps. A student at Port Perry High School, Waylon was also a former competitive diver, having competed at the provincial level.

Included among the several talented horses in Garry's training program are Last Call and Jack Be Nimble, both competing at the intermediate level and both sired by Raj Kapoor.

Garry was named the Ontario Leading Male Rider of the Year in 2000, 2001 and 2003.

Birthdate:

December 14, 1981

Hometown:

Tottenham, Ontario

Karl Slezak began riding at the age of seven, and achieved his 'A' level with the Canadian Pony Club. At the age of 16, he became interested in eventing and began working with Canadian Olympian Garry Roque.

Having competed at the 2002 North American Young Riders' Championship, Karl completed several two and three-star events, including the 2004 CCI*** Fox Hall Cup where he finished 17th, highlighted by a strong dressage test and a clear cross-country jumping round. Karl's top mount is Private Ryan, a Dutch Warmblood gelding purchased by Garry as a five-year-old. Karl has ridden the mischievous gelding from his first competition to the three-star level, and hopes to qualify for a spot on the Canadian Eventing Team headed to the World Equestrian Games in Aachen, Germany.

In addition to Private Ryan, Karl is also riding John Rumble's Foxwood Spencer, with whom he won the Advanced division of the Red Hills Horse Trials, and Janette Leask's Rather Well, a stallion he has been working with for six years. He also has two intermediate level horses, Patricia Fitzgerald's Braveheart, and Don Good's Irish gelding, Showdown.

While Karl's riding and teaching schedule does not allow him much spare time, he does enjoy skiing and fishing.

Wendy Southam

Long Listed

Birthplace:
Waterloo, Ontario

Birthdate:
July 14, 1960

Hometown:
Stouffville, Ontario

Although Wendy Southam had competed at the preliminary level with Northern Kid, nothing could prepare her for the journey Ruba Z would take her on. Imported by Augustin Walch of W. Charlot Farms, Ruba Z and Wendy became partners in 2001. Following numerous wins at the preliminary level, including eight in the year 2003 alone, Wendy stepped up to the intermediate level in 2004, winning the CIC** division at the Dreamcrest Horse Trials in Port Perry.

Success continued to follow in 2005 with a second place finish in the CIC** division at Dreamcrest followed by a third at the CCI** Virginia Horse Trials. With those results, Wendy found herself catapulted onto the Canadian Eventing Team Long List. The success gave her the confidence to attempt the advanced level in 2006. Low and behold, the pair started the season by winning a division of advanced at the highly competitive Pine Top Spring Horse Trials in Georgia.

Wendy is a graduate of the University of Waterloo and Humber College and is married to Bill Whitehead, who is also an eventing competitor. Wendy spends her days riding the five horses she owns with her husband.

Samantha Taylor

Long Listed

Birthplace:

Vancouver, British Columbia

Birthdate:

May 25, 1983

Hometown:

Richmond, British Columbia

Samantha Taylor was heavily involved with the Canadian Pony Club, earning her 'A' level. Turning her focus to eventing, she enjoyed a fifth place finish in the CCIY* division of the 2003 North American Young Riders' Championship riding Oslek. That fall, they finished the CCI** Radnor Hunt Three Day Event on their dressage score, placing 20th overall.

Based on her 2004 accomplishments riding My Silver Lining and Livewire, Samantha was named to the 2005 Talent Squad. With Livewire, Samantha enjoyed a tremendous 2005 season that saw her finish in the top twenty in no less than three CCI** events, an accomplishment that places her on the Canadian Eventing Team Long List. In addition to Livewire, Samantha is currently competing at the intermediate level with her other two horses, Sight Unseen and Ringwood Zazu. In addition, owner Laura Gatewood has generously given Samantha the ride on Lucinda while her coach of the past four years, Buck Davidson, has handed her the reins to Miss Way West.

Samantha appreciates the support of her parents, Mitch Taylor and Nora McCallum, and her brother, Patrick. In addition to riding, Samantha enjoys running, basketball and reading.

Talia Wells

Long Listed

Birthplace:
Calgary, Alberta

Birthdate:
January 28, 1987

Hometown:
Calgary, Alberta

Talia Wells first began riding at a young age on her aunt's ranch, but her competitive career did not begin until 2000 when she was riding at Sandra Donnelly's facility, Alborak Stable. Talia purchased her top mount, New Heights, better known as 'Heidi' around the barn, from Sandra as a four-year-old.

The pair formed a strong partnership that saw them finishing second in the CIC** division of the Bromont International Three Day Event, followed by a fifth place finish individually at the North American Young Riders' Championship in Lexington, Virginia. With this result, Talia earned Long List status with the Canadian Eventing Team for the first time.

Talia graduated from Canmore Collegiate High School in 2004 and completed one semester at Calgary's Mount Royal College before deciding to follow her competitive career. Besides horses, she enjoys photography and is a certified snowboarding instructor. She appreciates the support of her parents, Joseph and Carole Wells, as well as her younger brother, Sasha, who is a member of the Canadian Junior National Figure Skating Team.

Michael Winter

Short Listed

Birthplace:

Montreal, Québec

Birthdate:

August 16, 1974

Hometown:

Toronto, Ontario

Mike Winter has been named to the Canadian Eventing Team Short or Long List every year since 1996 having competed in numerous FEI-level competitions on a variety of horses.

Riding Balista, Mike represented Canada at the 2003 Pan American Championships where he was the top placed Canadian, securing the Team Silver Medal. The following year, Mike and Balista made their Olympic debut in Athens, Greece, where they were again Canada's top finishers. In 2005, Mike achieved a career milestone by placing in the top ten with two different horses at the CCI*** level - Kingpin was seventh at the CCI*** Foxhall and, one month later, Balista was eighth in the CCI*** Jersey Fresh. Mike and Kingpin also competed in Scotland at the CCI*** Blair Castle Three Day Event. These results, along with Mike's success with the up-and-coming mounts, Daybreak and Wonderful Will, ranked him ninth on the United States Eventing Association's leader board.

Mike has two daughters and is based in Newnan, Georgia, where he and his wife, Emma, also an international eventing competitor, operate a training and competition barn. When his busy training schedule allows, Mike enjoys snow boarding, canoe trips, and 'do it yourself' projects on his 1920 Craftsman home.
