What is

Jump Canada?

Jump Canada is the committee of Equine Canada that is responsible for all hunter, hunter equitation and jumper activities in Canada from the grass roots to the international level. Jump Canada is governed by a board of directors, the majority of whom are elected by the stakeholders in the sport. There are 20 board members and 14 sub-committees that are responsible for the operation of Jump Canada with the support of technical manager, Gill Perkins, who works from the Equine Canada offices in Ottawa. A complete outline of the Jump Canada structure and responsibilities can be found on our website www.jumpcanada.ca.

CORE OBJECTIVES

1. To develop, build and grow Canada's hunter/jumper community at all levels.
2. To improve the effectiveness of communications to internal and external audiences.
3. To promote rider and horse development at an international level.
4. To administer and manage the Jump Canada organization.
5. To improve and increase funding and sponsorship base.

Since its inauguration in 1998, Jump Canada has initiated important national programs, fostered grass roots development within the provinces, fielded successful teams at World Championships, Pan American Games and Olympic Games, and maintained financial responsibility.

Owners are particularly important to the success of show jumping in Canada. Through their support of the athletes and ownership of their horses, owners make it possible for Canada to field competitive teams in international events. Their support is paramount to Canada's success and, each year, Jump Canada presents the Owner of the Year Award in recognition of their invaluable contribution to the sport.

Jump Canada has created a number of other programs and awards in order to recognize contributions to the sport and to provide support for participants. The following are the Jump Canada programs developed to date. The complete criteria for each program can be found on the Jump Canada website.

- 'CAVALOR' Athlete of the Month
- Sponsor of the Year
- Jump Canada Bursary
- Talent Squad Series
- Jump Canada Series
- Travel Assistance
- Official of the Year
- Venue Development Fund
- Officials' Accessibility Fund
- Volunteer of the Year
- Owner of the Year
- Young Horse Development

The Jump Canada levy allows us to support these national programs. In addition, a portion of the levy is distributed to each Provincial Hunter/Jumper Association to be used for grassroots development.

Erynn Ballard

Birthplace:
Oakville, Ontario

Birthdate:
September 13, 1980

Hometown:
Hillsburgh, Ontario

Erynn began riding at the age of five with her parents, David and Sandi Ballard, and entered the show ring one year later. Equally talented in hunter, jumper and equitation, Erynn became only the second Canadian to win the prestigious ASPCA Maclay National Championship at the 1998 National Horse Show at Madison Square Gardens. The following year, she and Leacock captured the Individual Gold Medal at the 1999 North American Young Riders' Championship.

Stepping up to the Grand Prix ranks, Erynn made her Nations' Cup debut at the 2006 Spruce Meadows "Masters" tournament, helping Canada to achieve victory for the first time in the event's history, and was named Equine Canada's "Equestrian of the Year" for 2006. In March of 2007, she and Robin Van Roosendael delivered two clear rounds to help Canada win the Nations' Cup competition in Wellington, Florida.

Erynn is the professional trainer and coach for her family's business, Looking Back Farm. Recognized for her ability to ride all types of horses, Erynn is often the pilot of numerous mounts in the Young Horse classes.

Gary Brewster

Birthplace:
London, England

Birthdate:
June 21, 1970

Hometown:
West Vancouver, BC

Gary Brewster is one of Canada's brightest stars for the future of show jumping. Having worked his way up the ranks, Gary is now a mainstay at the Grand Prix level, competing throughout Canada and the United States.

Following a successful 2005 season, Gary was named to the 2006 Jump Canada Talent Squad, a means of recognizing competitors with the potential to become future members of the Canadian Show Jumping Team. He quickly realized that potential by being named to the 2007 Canadian Team Short List.

At the end of a successful 2006 season, Gary found himself placed fourth, fifth and sixth overall in the Kubota Cup Western Series with his string of Grand Prix horses. His success in the 2007 Kubota Cup Series looks as though it will continue as he began the season by placing second place in the \$75,000 Kubota Cup Grand Prix at the Royal Manitoba Winter Fair.

Gary is based at Twin Oaks Farm in Richmond, British Columbia. He and his wife, Suzanne, an accomplished amateur rider, have one son, Henry.

Laurie Bucci's riding career began in 1979 with lessons in Blainville, Quebec. Following a successful hunter career, Laurie made the switch to jumpers and, riding Pauly, won the World Junior Final held in conjunction with the 1989 World Cup Final in Tampa, Florida, and the Individual Gold Medal at the 1989 North American Young Riders' Championship. In the spring of 2006, Laurie spent two months training in Germany with Ludger Beerbaum and proudly represented Canada at such prestigious competitions as CSIO5* La Baule and CSI4* Hamburg. She closed out the 2006 season by winning the 2006 Canadian Show Jumping Championship riding Quidam's Ramiro.

Miami, Florida

Birthdate:
December 20, 1980

Hometown:
Orangeville, Ontario

Born in Miami, Frankie began riding at the age of four and has successfully competed in the western disciplines of barrel racing and team penning. Her first taste of international jumping success came at the 1997 North American Young Riders' Championship where she captured Individual and Team Silver medals with Braveheart.

At the age of 17, partnered with Ravenna Z, Frankie was selected to represent Canada at the 1998 National Horse Show in New York City, making her the youngest Canadian to ever ride on a Nations' Cup team. It paid-off with a spot on the Wellington Nations' Cup Team in 2005 as well as two major Grand Prix victories in Ottawa and Collingwood. Frankie got the 2007 season off to a strong start by jumping three clear rounds to place second in the €300,000 (\$400,000 US) CN WorldWide Grand Prix in Wellington, Florida.

Show jumping runs in the family – her parents, Alan and Sherry, were also show jumping competitors, as is her husband, Juan Ortiz of Venezuela. Mario Deslauriers

Birthplace: Venise en Quebec, Quebec **Birthdate:** February 23, 1965 **Hometown:** Bromont, Quebec

Mario began riding as a child and, in 1984 at the age of 19, became the first Canadian and the youngest rider to ever win the World Cup Final, a record he still holds. Later that year at the Los Angeles Olympics, he was involved in a three-way jump-off for the individual bronze medal, eventually finishing fourth with Aramis.

A two-time Canadian Show Jumping Champion, Mario has represented Canada at every major international event. While competing at the 1999 World Cup Final, Mario was awarded his World Cup Silver Medal for competing in over 100 World Cup Qualifying competitions. He again represented Canada at the 2000 and 2001 World Cup Finals.

Mario remains an integral member of the Canadian Show Jumping Team. He helped Canada win back-to-back Nations' Cup titles in 2006 and 2007 in Wellington, Florida, and, in September of 2006, was a member of the Canadian Team that scored its first victory in the \$350,000 BMO Nations' Cup at Spruce Meadows, Calgary.

Mario is based at Bromont Equestrian Centre, site of the 1976 Olympic Games equestrian competition.

Margie Gayford

Birthplace:
Toronto, Ontario

Birthdate:
April 9, 1959

Hometown:
Sharon, Ontario

Margie was born into one of Canada's best-known equestrian families. Her grandfather, Major Gordon Gayford, was a member of the Canadian Army Team while her father, Tom Gayford, made history as a member of the Gold Medal Team at the 1968 Olympic Games in Mexico City. Given her background, Margie couldn't help but be attracted to the sport and has had numerous hunter and jumper partners over the years.

Partnered with Stuntman since 2004, Margie's career has reached new heights. In 2006, the pair enjoyed several impressive placings including a win in the \$60,000 Kubota Cup Grand Prix held in Collingwood, ON. She is also developing Winston, the 2005 National Six-Year-Old Reserve Champion. In 2006, the pair won phase two of the National Talent Squad Championship at the Royal Winter Fair. Both Stuntman and Winston are owned by Jump Canada's 2006 'Owner of the Year', the father-daughter team of Harry and Shawn Littler of Wingberry Farms.

Despite holding her degree in Economics from York University, Margie works full-time in the horse industry, dividing her days between Wingberry Farms in King City, ON, and her family's Gaylands Farm in Stouffville, ON.

Emily George first began riding competitively at the age of eight training with various coaches in Toronto, California and now Calgary, her home for the past seven years.

At just 21 years of age, Emily joined the Grand Prix ranks riding her Irish-bred gelding, Smart Thinking. During her rookie year, Emily won the \$35,000 Kubota Cup Grand Prix at the Royal Manitoba Winter Fair in Brandon, competing against numerous Canadian Show Jumping Team members including her own coach, Jonathan Asselin. She closed out the 2006 season by enjoying a top ten finish in the \$60,000 Kubota Cup National Finals held in November during the Royal Agricultural Winter Fair in Toronto. Based on her successful year, Emily found herself named to the Canadian Show Jumping Team Short List.

In addition to her equestrian pursuits, Emily is a third year Geology student at the University of Calgary. She also volunteers with the Street Esteem Program, and enjoys spending as much time outdoors as possible, especially snowboarding.

Ian Millar

Birthplace:
Halifax, Nova Scotia

Birthdate:
January 6, 1947

Hometown:
Perth, Ontario

With eight Olympic starts, Ian Millar has competed in more Olympic Games than any athlete in Canadian history, in any sport. At age 60, he is still on top of his game and hoping to represent Canada at future Olympic Games.

If Millar's Olympic record is impressive for longevity, his Pan American Games record is equally so for his medal count. He has earned eight medals in seven Pan American Games, more than any other show jumper.

In spite of his Olympic and Pan American Games records, it was the World Cup of show jumping where Millar first broke new ground. In 1988 and '89, he and his legendary partner, Big Ben, became the first-ever horse and rider combination to win back-to-back World Cup Finals.

The most decorated equestrian in Canadian history, Millar is a member of the Order of Canada, was Ontario's Athlete of the Year in 1989, was inducted into the Canadian Sports Hall of Fame in 1996, and was awarded an honorary doctorate by the University of Guelph, Ontario in 2005.

Hyde Moffatt

Birthplace:
Port Hope, Ontario

Birthdate:
June 19, 1979

Hometown:
Brantford, Ontario

Andrew Hyde Moffatt had an unusual introduction to horses. When he was five years old, a girl at school brought in her horse for show-and-tell and Hyde was hooked!

His top horse is Ting Tin, purchased in Belgium as a six-year-old. Hyde describes Ting Tin as a brave, intelligent and energetic horse who loves to play with people, but gets bored easily. Starting their Grand Prix career together in 2004, Hyde and Ting Tin have enjoyed top ten finishes at several of the biggest horse shows in Canada including the Capital Classic Show Jumping Tournament, the Collingwood Horse Show, Tournament of Champions, and the Royal Agricultural Winter Fair.

When he is not showing in the Grand Prix ring, Hyde competes with several horses in the Young Horse Development Series including Baron, who was crowned the 2006 Ontario Six-Year-Old Champion.

In addition to his equestrian pursuits, Hyde also enjoys long distance running.

Tamie Phillips

Birthplace: Kamloops, British Columbia **Birthdate:** December 1, 1972 **Hometown:** Strathmore, Alberta

Growing up on a ranch in Kamloops, British Columbia, Tamie Phillips started taking formal jumping lessons at the age of nine and, after successfully showing as a teenager, turned professional on her 18th birthday. Her first taste of national success came in the mid-90's when she qualified for the Talent Squad Finals at Toronto's Royal Horse Show.

In 2004, Tamie moved to Strathmore, Alberta, where she operates Caragana Show Jumpers. A fabulous 2005 season at Spruce Meadows riding Starlet saw Tamie receive the Chrysler Leading Canadian Rider Award. In 2006, Tamie was named a Canadian Team alternate for the World Equestrian Games in Aachen, Germany, and, after winning the \$35,000 Kubota Cup Derby in Richmond, BC, riding Lucas, was crowned the Western Canada Kubota Cup Champion for the second year in a row.

Horses are a way of life for Phillips and her family. Her mother, Merle Gardner, and her younger sister, Shawna Phillips, operate a horse business in Williams Lake, British Columbia. Tamie and her mother bred both Lucas and Starlet, promising indications of what their small breeding program is capable of producing.

Chris Pratt

Birthplace:
Toronto, Ontario

Birthdate:
April 18, 1969

Hometown:
Belfountain, Ontario

For Chris Pratt, it all began with four goats. After spending his first ten years in the city, Chris moved to a farm north of Toronto. There were sheep, chickens, goats - everything but horses. Tired of hearing Chris ask for a pony, his father finally relented, trading four goats for what would become a lifelong commitment for Chris.

The first sign that Chris was destined for greatness came in 1994 when he topped the Kanatek Talent Squad and also received a Firestone Development Scholarship. Over the past five seasons, Chris has racked up impressive victories including back-to-back wins in the \$125,000 CN Grand Prix and the \$60,000 Kubota Cup Grand Prix during the Bromont International in July of 2006. That same year, Chris made his official Nations' Cup debut in Wellington, contributing two clear rounds to help Canada secure victory, and represented Canada at the 2006 World Equestrian Games in Aachen, Germany.

At the beginning of 2007, Chris headed to California to work with U.S. Equestrian Team member, Richard Spooner, and immediately enjoyed impressive results such as his win in the \$50,000 Grand Prix in Del Mar. When not riding, Chris can often be found on the golf course.

Kelley Small

Birthplace:
Ottawa, Ontario

Birthdate:
September 6, 1983

Hometown:
Kanata, Ontario

Kelley Small first began riding at the age of ten when she attended a summer riding camp. At 13, she began training with Canadian Equestrian Team member Jill Henselwood, who coached her to Team Gold and Team Bronze medals as a member of the Ontario Junior Team at the 2000 and 2001 North American Young Riders' Championship. In 2004, she was Canada's top performer in the Championship division.

One year after winning the \$10,000 Talent Squad Phase II Championship class at the 2003 Royal Horse Show, Kelley made her Grand Prix debut and finished the season tied for third in the Canadian World Cup League standings. In 2005, a successful summer spent at Spruce Meadows gave Kelley Short Listed status with the Canadian Show Jumping Team for the second consecutive year. She was also asked to join "Team Molson", a program for aspiring world-class show jumping athletes. In 2006, Kelley and her top mount, Calibur, won the \$30,000 Hagyard Grand Prix in Kentucky and placed fifth in both the Canadian Championships and the U.S. Grand Prix League Final.

In April of 2007, Kelley opened her own training and sales business at Ashland Farm in Ashton, Ontario, where she will also train Ashland Farm's young horses.

Ainsley Vince

Birthplace:
Oakville, Ontario

Birthdate:
August 3, 1976

Hometown:
Milton, Ontario

Following a successful junior career, Ainsley Vince was named to the Canadian Equestrian Team in 1995 after enjoying consistent finishes in several World Cup Qualifiers riding Hocus Pocus.

Ainsley's top mount is the veteran campaigner, Catch 22, a gelding that she purchased as a six-year-old. The pair made their international debut riding for Canada at the 1999 Washington International Horse Show before helping Canada win their second consecutive Bank of Montreal Nations' Cup at Toronto's Royal Horse Show.

One of this country's most successful horse-rider combinations, Ainsley and Catch 22 were back-to-back Canadian Show Jumping Champions in 2001 and 2002. Ainsley and Catch 22 have represented Canada at the annual World Cup Final on three occasions, in 2000, 2003 and 2004. Also in 2004, Ainsley and Catch 22 were members of the winning Canadian Team in the Nations' Cup in Wellington, Florida.

Ainsley recently opened her own training and sales business on her parents' farm in Milton, Ontario. Her two younger sisters, Courtney and Sydney, are also successful show jumping competitors.
