# Canadian Eventing

## What is Eventing?

The sport of Eventing is best described as an equine triathlon. It began as a military exercise and competition for cavalry horses and officers to test their endurance, agility, and ability to get quickly between two points in the countryside. Today, in the modern equivalent, the sport of eventing encompasses three separate tests: dressage, cross-country, and show jumping. Each is scored individually but added together for the final results, and the winner of the competition is the competitor with the least number of penalty points gained over the three phases. The team winner is the team with the lowest aggregate number of penalties among team members.

## What is Canadian Eventing?

Canadian Eventing is a committee of Equine Canada responsible for the sport of Eventing in Canada, from the domestic development to the international elite level. Canadian Eventing is governed by a committee comprised of 12 members, including two rider representatives. # Hawley Bennett

**Birthplace:**

Langley, British Columbia

**Birthdate:**

May 6, 1977

**Hometown:**

Langley, British Columbia

Hawley Bennett grew up on a hobby farm and was involved with the 4-H Horse Club and the Grove and Langley Pony Club. With Livingstone, a thoroughbred gelding bred by her neighbour and purchased as a four-year-old, Hawley formed a truly incredible partnership. Following a fourth place finish at the 1998 North American Young Riders' Championship, Hawley, then 21, was named to the Canadian Eventing Team Long List.

In 2002, Hawley and Livingstone finished 14th at the CCI\*\*\* Fair Hill International and, the following year, enjoyed a clear cross-country performance at the prestigious CCI\*\*\*\* Rolex Kentucky Three Day Event. In the fall of 2003, they were members of the Silver Medal Team at the 2003 Pan American Eventing Championships and Hawley's Olympic dream became a reality when she and Livingstone represented the Canadian Equestrian Team in Athens, Greece. In 2005, the fairy tale continued when Hawley and Livingstone traveled to Sweden where they placed 15th in the World Cup Final. In 2007, the pair accomplished yet another goal by successfully completing CCI\*\*\*\* Badminton in England.

Hawley currently trains in Temecula, California.

# Diana Burnett

**Birthplace:**  
North York, Ontario

**Birthdate:**  
July 3, 1981

**Hometown:**  
Blackstock, Ontario

Diana Burnett's love of horses began at an early age given her parents are involved with fox hunting and polo. First entering the show ring at the age of two, Diana has never looked back.

With Tyson, Diana competed at the 1999 North American Young Riders' Championship and was the top-placed Canadian, finishing eighth individually and leading the team to a fourth place finish. In 2002, the pair again placed eighth at the North American Young Riders' Championship and went on to win the Canadian Open Championship in 2002.

In 2005 and 2006, Diana was named to the Canadian Eventing Team Talent Squad, a means of identifying future members of the Canadian Team, with Sagacious King. The appointment was well-deserved as Diana rode her homebred gelding Manny to 12th place in the 2007 Red Hills Horse Trials followed by a 14th place finish in the CCI\*\* division of the Florida International Three Day Event in Ocala, FL. The pair ended the season in 23rd position at the CCI\*\*\* Fair Hill Three Day Event in Maryland to earn Short-Listed status with the Canadian Eventing Team.

A graduate of Trent University, Diana teaches and trains at her family's Donogue Farm.

# Kyle Carter

**Birthplace:**  
Calgary, Alberta

**Birthdate:**  
January 8, 1969

**Hometown:**  
Citra, Florida

Riding since he can remember, Kyle grew up on his parents' thoroughbred racing farm. Interested in show jumping as a teenager, Kyle trained with Albert Kley at the famed Spruce Meadows facility. At 18, he turned his focus to eventing and spent a year training in England with 2004 Olympic Gold Medalist Leslie Law.

After returning to Canada, Kyle started up his own business of buying and selling horses off the Calgary racetrack, and eventually moved his business to Kentucky where he stayed for three years. Having represented Canada at the 1999 Pan American Games in Winnipeg riding Scotia Goldrush, Kyle was the highest-placed Canadian at the 2007 Pan American Games in Rio de Janeiro, Brazil, leading his country to the Team Silver Medal.

Now based in Citra, Florida, Kyle and his wife, Jennifer, an advanced-level competitor, run their own training and breeding facility. In addition to enjoying success with a large string of horses, Kyle is also a Level III coach and has coached many members of both the Canadian and American long lists. Kyle enjoys sailing, skiing, running and windsurfing as well as spending time with his daughter, Riley, born in December of 2006.

**Birthplace:**  
Uxbridge, Ontario

**Birthdate:**  
October 16, 1983

**Hometown:**  
Uxbridge, Ontario

Horses have always been a part of Jessica Ferguson's life. For her first birthday, she received a pony and has never looked back. Her first taste of eventing success came with Let's Boogie. Jessica was named to the 2005 Talent Squad with Exploring, a horse she purchased as a four-year-old, while further success placed her on the 2006 Canadian Eventing Team Long List. In 2007, Jessica and Exploring represented Canada at the Pan American Games in Rio de Janeiro as individuals placing 12th overall.

A graduate of Uxbridge Secondary School, Jessica earned her Business Administration degree from Durham College. A natural athlete, she plays on community volleyball and basketball teams. # Wendy Southam

**Birthplace:**  
Waterloo, Ontario

**Birthdate:**  
July 14, 1960

**Hometown:**  
Stouffville, Ontario

Although Wendy Southam had competed at the preliminary level with Northern Kid, nothing could prepare her for the journey that Ruba Z has taken her on. Imported by Augustin Walch of W. Charlot Farms, Ruba Z and Wendy became partners in 2001. Following numerous wins at the preliminary level including eight in the year 2003 alone, Wendy stepped up to intermediate in 2004, winning the CIC\*\* division of the Dreamcrest Horse Trials in Port Perry.

The success gave Wendy the confidence to attempt the advanced level and, incredibly, the pair began the 2006 season by winning an advanced division at the highly competitive Pine Top Spring Horse Trials in Georgia. They went on to complete three three-star events in 2006 including the CCI\*\*\* Jersey Fresh Three Day Event where their result placed them on the Long List for the second consecutive year. In 2007, Wendy and Ruba Z again contested CCI\*\*\* Jersey Fresh, this time placing 15th to earn Short List status.

Wendy is a graduate of the University of Waterloo and Humber College. Married to Bill Whitehead, also an eventing competitor, the couple make their home in Aiken, South Carolina.

# Samantha Taylor

**Birthplace:** Vancouver, British Columbia      **Birthdate:** May 25, 1983      **Hometown:** Richmond, British Columbia

Samantha Taylor was heavily involved with the Canadian Pony Club, earning her 'A' level. Turning her focus to eventing, she enjoyed a fifth place finish in the CCIY\* division of the 2003 North American Young Riders' Championship riding Oslek. That fall, they finished the CCI\*\* Radnor Hunt Three Day Event on their dressage score, placing 20th overall.

Based on her 2004 accomplishments riding My Silver Lining and Livewire, Samantha was named to the 2005 Talent Squad. With Livewire, Samantha enjoyed a tremendous 2005 season that saw her finish in the top twenty in three CCI\*\* events, an accomplishment that placed her on the Canadian Eventing Team Long List for the first time. In 2006, her success continued with an impressive seventh place finish in the CCI\*\*\* Jersey Fresh Three Day Event riding Livewire. The pair continued to excel in 2007, enjoying top ten placings at both the CIC-W\*\*\* Wits End International Horse Trials in Ontario and the CCI\*\*\* Fair Hill International Three Day Event in Maryland to earn Short List status.

Samantha appreciates the support of her parents, Mitch Taylor and Nora McCallum, and her brother, Patrick. In addition to riding, Samantha enjoys being with friends, going to the gym, and reading.

# Michael Winter

**Birthplace:**  
Montreal, Québec

**Birthdate:**  
August 16, 1974

**Hometown:**  
Toronto, Ontario

Mike Winter has been named to the Canadian Eventing Team Short or Long List every year since 1996 having competed in numerous FEI-level competitions on a variety of horses.

Riding Balista, Mike represented Canada at the 2003 Pan American Championships where he was the top placed Canadian, securing the Team Silver Medal. The following year, the pair made their Olympic debut in Athens where, again, they were Canada's top finishers. In 2005, Mike achieved a career milestone by placing in the top ten with two different horses at the CCI\*\*\* level - Kingpin was seventh at CCI\*\*\* Foxhall and, one month later, Balista was eighth in the CCI\*\*\* Jersey Fresh. Mike and Kingpin also competed at CCI\*\*\* Blair Castle in 2005 in Scotland. His success continued in 2006 as Mike was the top Canadian rider at both CCI\*\*\* Fair Hill riding Kingpin and CCI\*\* Virginia with Wonderful Will.

In 2007, Mike reached another milestone in his career when he and Kingpin were members of the Silver Medal Team at the Pan American Games in Rio de Janeiro, also placing eighth individually. Mike is based in Newnan, Georgia, with his wife, British international event rider Emma, and their daughter, Amelia.

# David O'Connor

## International Technical Advisor

The Canadian Eventing Team is pleased to be working with David O'Connor as its International Technical Advisor. Competing for the United States Equestrian Team, David earned three Olympic, two World Championships and two Pan American Games medals. He won the Rolex Kentucky Three Day Event three times and is a five-time winner of the Fair Hill International Three Day Event. In 1997, he became only the second American to win the renowned Badminton Three Day Event.

The pinnacle of David's eventing career was reached at the 2000 Olympic Games in Sydney, Australia, when he captured the Individual Gold Medal riding Custom Made, and also secured the Team Bronze Medal riding Giltedge. In 2004, David officially retired from international competition to focus on the training of riders and horses. Together with his wife and Olympic medalist teammate, Karen O'Connor, they operate training facilities at their home base in Virginia as well as Florida.

David is the President of the United States Equestrian Federation and is also a member of the FEI Eventing Committee. In addition, David is the cross-country course designer for several venues including the new Ocala Horse Park in Florida and the North American Young Riders' Championship in Virginia.

### Olympic Competition - How it works!

At the 2008 Olympic Games, the team competition consists of a minimum of three and a maximum of five competitors with the best three scores to count for the team classification. Following the first round of show jumping, which determines the team medal winners, the top 25 competitors will jump a second round to determine the individual medalists.

### Best of Luck to the Canadian Eventing Team!
